Hello Parents,

Here's the latest from the 3rd-5th grade classroom.

**Language Arts:** 3rd-4th grade has been working on our dictionary skills in Language Arts this week. To help us alphabetize, we played a game at found at <http://www.toonuniversity.com/flash.asp?err=160>. Fifth grade has been working on some proofreading skills, which we practiced in an interactivity activity at [http://www.eduplace.com/kids/hme/k\\_5/proofread/proof.htm](http://www.eduplace.com/kids/hme/k_5/proofread/proof.htm). Another great website to practice both language and mat skills is <http://www.abcya.com/>, where students can choose their grade level for appropriate interactive games. We have been working n this site in computers the past few weeks.

**Phonics:** In Phonics, 3rd-4th grade has been learning all about prefixes this week. We played a Jeopardy! prefix game against each other on Tuesday. You can check it out online at <http://www.quia.com/cb/221179.html>.

**Parent Volunteer:** As you know, on Friday, May 25th, the 4K-5th grade is heading to the Wildlife Sanctuary for a field trip. I will be gone this date, and am looking for a parent volunteer who would be willing to chaperone the 3rd-5th grade for the field trip. If you are available to help out, please let me know. Thank you!

**Wiki Update:** Our class wiki has a few new updates for you to check out. There are a few new pictures, including the 3rd-4th graders hard at work trying to light a light bulb. Also, you can find the 3rd-4th graders Top Secret Reading Project presentations on the Videos page. There is a link to the wiki on the school website.

Blessings on the rest of your week!

In Christ,  
Miss Bernau
